

LIFE SCIENCES COMMERCIALIZATION LECTURE SERIES

January 27, 2011

4:00 PM - 5:00 PM

New York State Center of Excellence in Bioinformatics and Life Sciences
701 Ellicott Street, Buffalo, NY 14203

“Buffalo’s Growing Life Sciences Sector: Benefits to Staying Local”

Presenter:

Frank Codella

*President & CEO
Medical Acoustics LLC.*

*Recently named one of the “Top 50 Companies
to Watch” by MD+DI magazine and was
featured on “The Doctors” TV show.*

Medical Acoustics, headquartered on the Buffalo Niagara Medical Campus in downtown Buffalo, NY, produces the Lung Flute, a medical device that uses wave technology to stimulate the body's lungs for better breathing. Partnering with the University at Buffalo and the local community allowed Medical Acoustics to keep their operations local and the company is now building a global distribution network.

*If you are an investor or company looking to learn how to
utilize the local community assets in growing your business,
this presentation is for you!*

**To register for this free event, please visit:
