“A Profile of an Angel Investor”

Jack McGowan

Western New York Venture Association

PLUS

**A Local WNY Angel
Investor**

The Western New York Venture Association's mission is to elevate the economic growth of the region by proactively increasing the size and sophistication of the angel investors base, and the quality of investments opportunities, throughout Western New York. Learn more about angel investing in WNY from the actual source - what angels look for in a deal, advice for Buffalo entrepreneurs, and best practices toward becoming successfully funded.

To register, contact Renata Bator at rmbator@buffalo.edu or 716-881-7588

Followed by Beakers n' Beer - Campieri's, 888 Main Street, Buffalo

Enjoy free beer and chicken wings while networking with researchers, entrepreneurs, and medical professionals from the Buffalo Niagara Medical Campus.
