

# LIFE SCIENCES COMMERCIALIZATION LECTURE SERIES

October 23, 2008

4:00 PM - 5:00 PM, 2nd Floor

New York State Center of Excellence in Bioinformatics and Life Sciences  
701 Ellicott Street, Buffalo, NY 14203

## “Industry - Academia Collaboration - Issues at the Interface: What Researchers and Companies Need to Know”

Presenters:

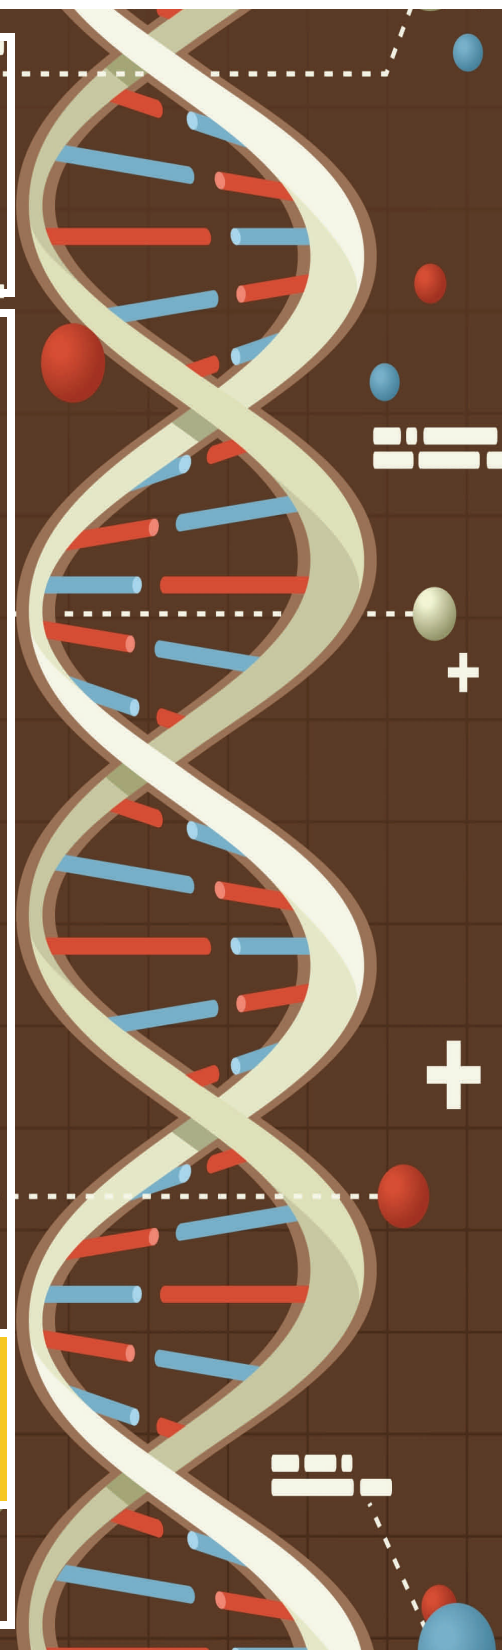

Jeffrey Dunbar, Director, UB Office of Science,  
Technology Transfer & Economic Outreach

Charlie Kaars Ph.D., Assistant Vice President,  
Sponsored Project Services, UB

As both universities and private sector firms around the world understand the mutual benefits of working together, the next natural question is how do these collaborations work? How do they get started? What are the options for working relationships? Who will help me figure this out? Both researchers and industry representatives can learn the answers from UB's experts on industry-academia collaboration.

Lecture Followed By Beakers 'n Beer, 5PM - 7PM  
Doubletree Club Hotel, 125 High Street  
Network with Buffalo Niagara Medical Professionals!
